What is A.R.K.?

A.R.K. stands for **Actively Reaching Kids**. Most of us realize that children learn in various ways. Some of these formats range from visual learning and lecture to interactive games and stories. As a result, we in the Children's Ministry at Zion Chapel desire to meet these various learning styles for each of the children to whom we are blessed to minister.

Our Mission: To provide a safe, positive worship, and learning environment, we desire to help children build a relationship with Jesus Christ. With the help and encouragement of parents we will provide opportunities for children to discover and use their gifts and talents divinely placed in them. By partnering with parents and through the Holy Spirit's leading we desire to train children with God's Word to mature into Zion Chapel's goal of making more and better disciples. We will provide tools, training, events, and encouragement to parents and staff to empower children to become a disciple of Jesus Christ.

How can you get involved?

Pray: Seriously, pray for the children and the children's ministers, which include teachers, classroom helpers, VBS helpers, supply coordinators and nursery helpers. Without prayer this ministry will fail.

Donate: We have many areas of need. You may donate you:

- **Time:** Join in the classroom ministry, in the puppet & drama ministry, as an A.R.K. greeter, or in various other areas in order to love on kids and guide them in their walk with Christ.
- **Love:** Kids need an appropriate hug or pat on the back at all times.
- **Faith:** Be an example of Christ as these little ones pass by you in the hallways of our church building or if you see them in the community.
- **Supplies:** Materials or resources are needed to facilitate this vital ministry. (A supply list is located on the "Local Ministries" bulletin board.)

So what are you waiting for?

We would love to meet with you and answer any questions you might have regarding the children's ministry. More comprehensive information is available.

In order to get more involved, please fill out the small slip on the back and return it to the *Information Center* in the foyer. We will then contact you. And again let us emphasize the ministry's need for prayer warriors.

Thank you for taking the time to fill out the information slip. We hope to talk with you soon.

God's Blessings,

The Children's Ministry Team
